

CHILD EVANGELISM FELLOWSHIP

High Desert Chapter

Summer 2021

Thank you all for physically, for our weekly for four Park, for four and also at the

your prayers and support, both financially and Summer outreaches. We were able to minister weeks in July, for the Hesperia Movies at the consecutive weeks for Hesperia's Concert Series, Hesperia Civic Plaza, called Hot August Nights.

In September we had an all day outreach at Hesperia Lake in which we were kept busy ministering God's Word the entire time. We were able to engage people of all ages in the gospel presentation and saw many professions of faith, as we sowed the seed of the Word of God and watered it! Praise be to God for this wide open door He gave us to minister to the people of the High Desert!

Now that we are in the Fall and approaching Winter, we are seeing doors closed at the public schools and are seeking the Lord for His open doors in our communities. We are at this time seeking churches to host Good News Clubs for the schools we had been to in the past. As we are knocking and communicating with these local churches, please pray that the Lord leads us along the way, and that He also raises up the laborers whom He has already foreordained to outreach to the children in our cities.

While open air outreaches are exciting and fruitful, we desire to disciple children in their faith. So, ideally, we want to target the opportunities to build relationships over time as we communicate the Word of God on a regular basis to regular attenders. Please be in prayer

that God's will be accomplished and that His church be open and available to serve at His bidding, as He calls upon us and equips us for the Work of the ministry.

We are also partnering with M2M ministries as they outreach to the muslim community that God has availed to come to the United States. There are many people God is reaching through dreams and visions as many hearts are open to Jesus. We just finished an outreach in November and are strategizing the next one to come January 15th of 2022. Please keep the muslim people in prayer and our outreach team, as we prepare our hearts and minds for whom God brings to us next.

Our prayer needs are as follows:

- Opening of local schools to do Good News Clubs
- Volunteers to go into the schools to serve in our Good News Clubs
- Open doors at local apartment complexes and neighborhoods to hold Good News Clubs
- God add to our Board volunteers with a love for kids and a burden for the lost
- Opening of local churches to Host Good News Club
